

# The JLegal

Personality  
Questionnaire  
Experience

Throughout the year, JLegal examines the PQE of a senior in-house counsel. On this occasion, we chat with Chad de Souza, an aspiring famous rock star!

- What is on your mind at the moment?  
Did HR need to clear this?
- What secret talent do you have?  
I turn invisible when absolutely no one is looking.
- If you weren't a lawyer you would be a ...  
sadly, I don't appear to be remotely good at anything else but I would like to be a famous rock musician (more for the lifestyle) - alas no relevant talent.
- If you could change one thing about yourself, what would it be?  
I'd need to put that out to a 360 management survey to get a holistic view.
- What is the strangest thing you have seen?  
I saw tiny shrimp in the ocean cleaning the teeth of fish and they weren't being eaten - that was weird.
- Top 3 favourite movies of all time?  
Basically the same as my daughters as I watch them on a loop now - so specifically, Frozen, anything with dragons and the Empire Strikes Back (ok the last one is more me).
- What is your motto?  
One hand washes the other.
- If you could have one superpower it would be ...?  
Professor X level mind control.
- On what occasion do you lie?  
On quirky humorous surveys.
- What irritates you?  
Why do you keep asking that question, it's SOOO annoying!
- What was your last Google search?  
The difference between a Llama and an Alpaca.
- If you could time travel, where would you go?  
Back to just before this week's lotto numbers were picked.
- Where would you most like to live?  
Somewhere with really great diving and food and not far from affordable ski slopes. Good healthcare and a bar that serves an excellent Pisco Sour also would be plusses.
- Which of the Seven Dwarfs is most like you?  
Sleepy - he doesn't seem to get much love so a shout out to him!
