

# The JLegal

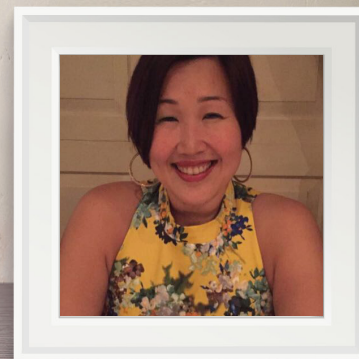

Personality  
Questionnaire  
Experience

Throughout the year, JLegal examines the PQE of a senior in-house counsel. On this occasion, we speak with Cheong Whye Mun, a lawyer with culinary and singing skills!

- What is on your mind at the moment?  
How growing up in Malaysia has not prepared me for dealing with the Beijing summer heat.
- What secret talent do you have?  
I am a pretty good cook (not only because I've not poisoned anyone with my food so far) and I also sing (does it count as secret if I used to do public performances?).
- If you weren't a lawyer you would be a ...  
chef or professional singer.
- If you could change one thing about yourself, what would it be?  
My greying hair.
- What is your idea of misery?  
Spending my hard earned and saved up calories on food that is not cooked well.
- What is the strangest thing you have seen?  
Sea horses. They look so much like horses as we know them but adapted to life in the sea that it makes you wonder whether the idea of merpeople is so strange and mythical after all.
- What is your motto?  
Go somewhere I've never been and do something I've never done.
- Top 3 favourite movies of all time?  
Disney's Snow White (my first movie), Zhang Yimou's The Road Home (the first art house movie I loved) and How to Train Your Dragon.
- On what occasion do you lie?  
When my mother asks me whether I've eaten. In my family, you always say yes to avoid the automatic conclusion that you are starving to death.
- What irritates you?  
People rushing into the lift before those in it can get out.
- What was your last Google search?  
Personality traits of the Seven Dwarfs.
- If you could time travel, where would you go?  
China during the Han Dynasty. I am reading a short version of Chinese history in Mandarin and I am at that chapter right now.
- Where would you most like to live?  
Portugal or Spain - I've not quite made up my mind.
- Which of the Seven Dwarfs is most like you?  
If based on my dominant personality trait, I would say Happy, but I can be a bit like Grumpy at times.

Cheong Whye Mun  
Regional Counsel,  
Greater China Group  
at IBM
