

The JLegal

Personality
Questionnaire
Experience

Throughout the year, JLegal examines the PQE of a senior in-house counsel. On this occasion, we chat with Lorraine Lee, a lover of tropical islands, coffee and chocolate!

- What is on your mind at the moment?
Can a robot do this for me?
- What secret talent do you have?
Picking out inconsistencies.
- If you weren't a lawyer you would be a ...
psychologist.
- If you could change one thing about yourself, what would it be?
I would sleep more and have fewer "open windows".
- What is your idea of misery?
No coffee and no chocolate.
- What is the strangest thing you have seen?
My mother saying "thanks dear" in a text message. I called back to see if she'd been abducted.
- What is your motto?
Live the Life that you Love.
- Where would you most like to live?
A tropical island with green trees and good coffee and chocolate.
- Top 3 favourite movies of all time?
Raise the Red Lantern, Lion and The Life of Pi.
- If you could have one superpower it would be ...?
Healing.
- On what occasion do you lie?
Never <wink>.
- What irritates you?
People who have no pride in their work.
- What was your last Google search?
Voice Dialogue - the Psychology of Selves.
- If you could time travel, where would you go?
Turks and Caicos (I know that's not what you mean, but it's very far away, so time travel would make it more bearable).
- Which of the Seven Dwarfs is most like you?
Doc. People are always telling me about their afflictions and what drugs they are taking ("prescribed medication" - what were you thinking?!), and asking for my opinion, so I'm more of a "witch doctor".
