The JLEGAL PQE

Personality Questionnaire Experience

Throughout the year, JLegal examines the PQE of a senior in-house counsel. On this occasion, we speak with Rohan Raichaudhuri, a loving father, an aspiring adventurer and someone who might have nomophobia (like most of us!).

- What is your current state of mind? Hopeful. Challenging Covid-19 times has brought a lot of restraint, both in our professional and personal lives. Better be safe than sorry!
- What's something you're glad you'll never have to do again? Change diapers.
- What's one thing you always procrastinate on? Reading motivational books.
- Is there anything you consider absolutely unforgivable? Not holding the lift for another person.
- If you woke up tomorrow with no fear, what would you do first? Go sky-diving.
- What is one behaviour that you never tolerate?

Double standards/dishonesty.

Who would you hate to be stuck in a lift with? An overly talkative person.

- What is something you have always dreamt of doing but have never done? A day in a jungle, "Bear Grylls" style.
- Your house, containing everything you own, catches fire. After saving your loved ones and pets, you have time to safely make a final dash to save any one item. What would it be? Why? Mobile phone. Separation anxiety issues.
- What is your happiest memory? Becoming a father.
- What is your greatest fear? Experiencing air-pockets/turbulence on flights.
- Which words or phrases do you most overuse? "See, I told you!"
- How do you want to be remembered? A patient listener, caring and loving person!
