

The JLegal

Personality
Questionnaire
Experience

Throughout the year, JLegal examines the PQE of a senior in-house counsel. On this occasion, we speak with Sue Pok, an expert on songs from the '90s, but don't ask her to whistle any of the tunes!

- What is on your mind at the moment?
Whether Designated Survivor will be renewed for a 4th season on Netflix.
- What secret talent do you have?
I am good at remembering song lyrics from the '90s. I'm happy to be the Lifeline for anyone going on the "Don't Forget The Lyrics" show.
- If you weren't a lawyer you would be a ...
blogger or some sort of digital nomad.
- If you could change one thing about yourself, what would it be?
I wish I could whistle or snap my fingers. I am genetically unable to do either.
- What is your idea of misery?
Reviewing contracts that are full of archaisms, endless sentences and with no (or redundant) defined terms.
- What is the strangest thing you have seen?
A mukbang video where this tiny Japanese girl ate a mountain of food in one continuous shot.
- What is your motto?
Let go and let's go.
- Top 3 favourite movies of all time?
You've Got Mail, Raise the Red Lantern and Dancer in the Dark.
- If you could have one superpower it would be ...?
Time control (so that holidays never end).
- On what occasion do you lie?
When my hairstylist asks if someone else did my hair.
- What irritates you?
Seeing Comic Sans font used in business correspondence (worse still, in colours!)
- What was your last Google search?
"What is Negatory Ghost Rider?" (That was a reply I received from a colleague. He could have just said "no", right?).
- If you could time travel, where would you go?
Back to my 20s, to have a good chat with my younger self.
- Where would you most like to live?
Bali.
- Which of the Seven Dwarfs is most like you?
None. I can't whistle while I work!
